Country Overview (Industry & Manufacturing) [3]

Industry & Manufacturing [4]

Description:

The report Handling and Lifting Equipment Market in Netherlands to 2020 - Market Size, Development, and Forecasts offers the most up-to-date industry data on the actual market situation, and future outlook for handling and lifting equipment in Netherlands. The research includes historic data from 2009 to 2015 and forecasts until 2020 which makes the report an invaluable resource for industry executives, marketing, sales and product managers, consultants, analysts, and other people looking for key industry data in a readily accessible document with clearly presented tables and graphs.

The report helps answer the following questions:

- What is the current size of the handling and lifting equipment market in Netherlands?
- How is the handling and lifting equipment market divided into different types of product segments?
- How are the overall market and different product segments growing?
- How is the market predicted to develop in the future?
- What is the market potential compared to other countries?

The latest industry data included in this report:

- Overall handling and lifting equipment market size, 2009-2020
- Handling and lifting equipment market size by product segment, 2009-2020
- Growth rates of the overall market and different product segments, 2009-2020
- Shares of different product segments of the overall market, 2009, 2015, and 2020
- Market potential rates of the overall market and different product segments

The market data is given for the following product segments:

Pulley tackle and hoists
Capstans and winches
Hoists and jacks
Cranes and lifting frames
Continuous-action goods conveyors and elevators
Escalators and moving walkways
Lifts and skip hoists
Pneumatic conveyors and elevators
Ski-lifts, chair-lifts and teleferiques
Work trucks
Other handling and lifting equipment
Parts of handling and lifting equipment

Among the key reasons to purchase include the following:

- Gain an outlook of the historic development, current market situation, and future outlook of the handling and lifting equipment market in Netherlands to 2020
- Track industry developments and identify market opportunities
- Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market opportunities and prospects
- Save time and money with the readily accessible key market data included in this PDF format industry report. The data is clearly presented and can be easily incorporated into presentations and internal reports.

Table Of Contents:

1. Market for Handling and Lifting Equipment in Netherlands 6
   Overall Market 6
   Market by Type 7
   Pulley tackle and hoists 8
   Capstans and winches 9
   Hoists and jacks 10
   Cranes and lifting frames 11
   Continuous-action goods conveyors and elevators 12
   Escalators and moving walkways 13
   Lifts and skip hoists 14
   Pneumatic conveyors and elevators 15
   Ski-lifts, chair-lifts and teleferiques 16
   Work trucks 17
   Other handling and lifting equipment 18
   Parts of handling and lifting equipment 19

2. Forecasts and Future Outlook 20
   Overall Market 20
   Market by Type 21
   Pulley tackle and hoists 22
   Capstans and winches 23
Hoists and jacks 24
Cranes and lifting frames 25
Continuous-action goods conveyors and elevators 26
Escalators and moving walkways 27
Lifts and skip hoists 28
Pneumatic conveyors and elevators 29
Ski-lifts, chair-lifts and teleferiques 30
Work trucks 31
Other handling and lifting equipment 32
Parts of handling and lifting equipment 33
3. Market Potential Rates 34
4. Handling and Lifting Equipment Market Size Compared to Market Growth in Different Countries 35
5. Market Definition 36
6. Methodology and Sources 38
7. About Global Research & Data Services 39

License Types:

**Single User License (PDF)**
- This license allows for use of a publication by one person.
- This person may print out a single copy of the publication.
- This person can include information given in the publication in presentations and internal reports by providing full copyright credit to the publisher.
- This person cannot share the publication (or any information contained therein) with any other person or persons.
- Unless a Enterprise License is purchased, a Single User License must be purchased for every person that wishes to use the publication within the same organization.
- Customers who infringe these license terms are liable for a Global license fee.

**Site License (PDF)**
- This license allows for use of a publication by all users within one corporate location, e.g. a regional office.
- These users may print out a single copy of the publication.
- These users can include information given in the publication in presentations and internal reports by providing full copyright credit to the publisher.
- These users cannot share the publication (or any information contained therein) with any other person or persons outside the corporate location for which the publication is purchased.
- Unless a Enterprise License is purchased, a Site User License must be purchased for every corporate location by an organization that wishes to use the publication within the same organization.
- Customers who infringe these license terms are liable for a Global license fee.

**Global License (PDF)**
- This license allows for use of a publication by unlimited users within the purchasing organization e.g. all employees of a single company.
• Each of these people may use the publication on any computer, and may print out the report, but may not share the publication (or any information contained therein) with any other person or persons outside of the organization.

• These employees of purchasing organization can include information given in the publication in presentations and internal reports by providing full copyright credit to the publisher.
